REMARKS

**RETURN TO CIA LIBRARY**

25X1

1. It was learned that a bunker near RUEBERSDORF (N 53/V 04) had been completed and was guarded by about 20 tank troops. The guard detail was quartered in a cantonment building at the northern tunnel-like access to the bunker.

25X1

2.        trucks        were identified in front of the bunker.

3. The bunker was said to be an alternate headquarters for POTSDAM staffs. Local residents stated that the bunker was equipped with excellent technical and sanitary installations and had rooms with a total of 200 beds.

25X1        Comment:

Several sources previously reported on the construction of the bunker near RUEBERSDORF.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
